Fundraising: Bryn Goode - Personal trainer James is meeting with us @ 6.15pm
Bryn has looked at a few other avenues and this looks like the best fit for the club. At the moment we will run the training sessions per school term from term 3 (Tuesday 24th July) for 10 weeks. James is helping us try to keep the costs down by charging \$10 a session. He will collect payments at the start of week 1.
First session will be the assessment for each person. He wants to run groups of (8) people.
Anyway we will go through this at the meeting. James will bring along his:
1. PT training certs. 3 & 4
2. His insurance and liability
3. Current police checks report.
4. Waiver forms - James to supply

8 people per session Monday, Wednesday, Friday after 5.00 - 6.00 and 6.00 - 7.00
James to meet Wink and Jayke to show him what surfers need to work on
First session will be assessments
Bryn will keep in touch with James and will chase up all the people who originally signed up

Additional agenda items from committee members not in attendance The last four weeks we have some pretty lean days – have banked \$360 and raffles have cost us \$400. I have the Seafood Co-op prepaid until the end of June, perhaps we could look at changing to three meat trays, however I think the problem is not lack of effort but lack of people at the Hoey on these days. Anyway, something to have a chat about, just wanted to let everyone know.- Trace looking into meat trays through Woolworths.

New Business: CHBC has been invited to straddle assault teams event 20th and 21st October we all agreed to give this one ago instead of the Kirra teams 2019 as this was a special invite and runs 2 x exciting formats.

Business Carry Forward: August Event, term 3 training and judging system once we have a real budget for next year

Meeting closed: 7.30pm
