Few notes with Club challenge day prizes & awards.

I have enough smaller items to fill the minor placings but not any significant items for 1st. If any additional items are available or have been arranged please advise.

On previous days I believe we gave away boards to 1st supplied by special guests / sponsors, we also had some dometic Eskies we gave away last year.

I Also have 2 SMALL Rip curl tide watches suitable for groms, before the batteries die suggest we give them away - perhaps Club spirit or outstanding performance for Junior Male & Female?

Awards - In the past I have re-purposed some small A5 frames we have left over from Previous year sponsor awards as trophies, please advise if you want to do the same again for this year.

Lindz has some Rip Curl prizes

JS doing us a deal for a cheap board for winner of A grade (to be given away to a grom if pro wins)

B Winner GPS tide watch

2 outstanding boy and girl performances - kids tide watches.
