10. Judging Rules and Regulations. All surfers in divisions 16's and above must judge 1 heat after there heat.
All parents from the 12,s and under divisions must come up to judge in place of your child..
(So therefore, you surf your heat, you come in and dry off during the heat after yours and then judge the following.)
If you cannot judge for some reason you need to organise someone in your place and let the beach masrshals know.
If have no experience that is fine, we have a head judge to guide you through..
If you fail to comply with these rules and regulations we will be deducting 200 points per offence off your or your childs points for that day.
We will notify you after the advent to confirm these deductions..
Its a pretty simple concept to follow so no reason for failing to judge..
You surf, You dry off, You judge!
All members are expected to help out at every monthly competition for set-up and pack down.
