Agenda Items Committee:

**BRYN:**

- People not judging info - *Bryn has a sign he has made up to laminate and put near marshalling girls. Has an email template to send out if people don't turn up. He has copies.*
- MC - Run Sheet - *Has a template for MC's of things to go through and sponsors to call out.*
- Comp Set-up - *Has a run sheet now done up in case he's ever not here.*
- Rashies - *Billabong approved rashie - halved amounts so 25 adults, 25 groms, 10 high-vis = roughly \$3k.*
- Sponsor Invoices - *Jonny will send out now that it is the new financial year.*
- Golf Day - *Date set for 15/11 - would like to make it an even bigger day with special activities on holes, etc. Major fundraiser for the club.*

**KLAUS:**

One thing I would like to add or suggest is that we keep 2 x judges but the head judge must be a head judge standing over the judges. Also would like to add a head judge ipad. This means the head judge must approve scores before they are visible to the outside world. This is no extra cost. I believe this would help the head judges concentrate more on the surfing and talking through the waves caught without having to look over the judges shoulders. Then all they have to do is approve the scores before from their ipad once satisfied the correct score is in. Any questions hit me up. - *Everyone agreed this is worth trying, will do it for Comp 5.*
